

**This is a reading of Scripture and Song Service relating to:  
Two Days In The Life Of Christ**

**Matt 14 and John 6**

Jesus' day began with the news that his cousin, friend and co-worker had been killed. He wanted to go off and be alone, and He is confronted with 5,000 hungry souls. He feeds them, but when talk of making Him king arises, he sends His disciples off, and then goes to be by Himself. During the night, the disciples are struggling to get across the Sea of Galilee, when Jesus comes walking on the Sea. Later during that day in Capernaum, the multitude that Jesus fed the day before found Him, but Jesus states they are seeking Him not because they saw the signs and believed, but because they were fed. Many disciples leave, would the twelve leave also?

Listen now as we read about these events that occurred during these two days and pay attention to the words of the songs that have been selected which teach us lessons connected to these events during these two days.

**Invitation**

The miracles which Jesus did confirmed Him as the Son of God Jhn 20:26-31. His word has been confirmed. He cared enough for us to give himself as a perfect sacrifice for us Jhn 3:16 and 1Jhn 3:16. He is not willing that any should perish 2Pet 3:9. He has given us all things that pertain to life and godliness 2Pet 1:3. It is His word that will judge us in the last day Jhn 12:48. We can't be fickle and want Him for our King one day and then turn and leave him the next. We must be faithful till death Rev 2:10.
